Special awards				
Stuart and Beverly Awbrey Award	Weekly or local online Publication that goes beyond reporting of local events and seeks to inspire their communities to better themselves.	Laura Herzog of The Ridgewood News		Doing Business in Ridgewood; series dug into the town's understaffed building department, which caused stores to wait months for permits; examined the town's problematic sign ordinance; highlighted the overabundance of eateries in the downtown; and emphasized need for a vision to keep the downtown thriving.
Tim O'Brien Award, daily newspaper category	The award honors the best work by a journalist that utilizes New Jersey's Open Public Records Law.	Christopher Baxter of The Star-Ledger		"Behind the Badge," series looked at the disturbing misdeeds of the New Jersey State Police."
Tim O'Brien Award, online		Joseph Malinconico, of the		Malinconico's series highlighted how the

category		hyperlocal site, The Alternative Press of Paterson	daughter of Rep. Donald Payne was promoted to a job that required her to drive between Paterson public schools, even though her license had been suspended for driving while intoxicated. The report caused her to lose the promotion as well as a pay increase.
Outstanding Sandy coverage		<p>The Record, first place for both the daily deadline reporting and page one design categories; NJBIZ and photographers Eric Sucar and Amy Rosen, first place for photojournalism feature; Pascack Valley Community Life, first place for weekly deadline reporting; The Non-Profit Times, first place for online state/regional coverage; and Bloomberg News, first place for online news reporting.</p>
